

Thallon State School

School Dress Code

Thallon State School students are expected to wear the school uniform, the requirements of which are determined in consultation with the P&C Association.

Students must wear their green and gold polo shirt every day, but are encouraged to wear their sporting house uniform on Fridays. Hats are compulsory for all outdoor activities – no hat, no play.

The standard school uniform colours are the official school colours: bottle green and gold. School shoes are black. Bolonne house shirts are navy blue. Moonie house shirts are red.

For all students, the basic uniform components are:

- Green and gold polo shirt with the school logo
- House polo shirt (these have the house name);
- Bottle green shorts (or skort/skirt if preferred);
- Wide-brimmed or bucket hat (bottle green for all other students);
- White, bottle green or black socks; and
- Comfortable shoes. These may be traditional school shoes, sandals or joggers, but must be safe (ie cover the feet, and be suitable to run in – no lights or wheels).

Additional uniform options include:

- Green and white checked dress;
- Bottle green fleece or microfibre tracksuit; and
- Senior students are permitted to wear their senior shirt and jersey.

This uniform policy is in place to enhance the school's image in the community, and to encourage a sense of school pride and belonging.

Students attending out of uniform will be asked to provide an explanation. They will be offered a second-hand uniform on loan (if available) and a letter will be sent home explaining what has happened. Loan uniforms may be either washed and returned, or purchased.

All school clothing must be labelled with the student's name.

If the student's hair is on the shoulders or longer, it must be tied back. Ribbons and ties in school colours (bottle green, gold or white) are preferred.

No jewellery, except sleepers or small studded earrings, are to be worn.

Uniform list and prices

The official school unisex uniform details are listed below:
